

Our mission is to create safe, sustainable and more ethical wood care products.

# Proposition 65.

## Declaration of compliance.

With this declaration we state that all L.Co wood care products contain no raw materials or chemicals that cause cancer, birth defects or other reproductive harm as specified by California Proposition 65.

All products covered.

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.
